Re: PUBLIC IMPROVEMENT PERFORMANCE BOND
CITY ATTORNEY STANDARD FORM

Attached is a Public Improvement Performance Bond, standardized by the City Attorney's office.

Please fill in the appropriate blanks (note: **#1** shall name only the property owner as principal, **#4** project name, and **#5** shall be the planning and site development project numbers). The form must be signed by both the principal and the lender. The **City requires a live-ink original of this form**, not a fax or photocopy.

Please note that if you choose not to use the standard form provided, you should expect that the approval process may be delayed because of the additional time necessary to review non-standard documents.

Thank you for your cooperation.
