

NOTES:

1. See *Beaverton Standard Dwg 103* for Local Street right-of-way and paved width standards.
2. Length of cul-de-sac shall not exceed 200 feet.
3. On a cul-de-sac serving only residential uses and having no more than five abutting residential units, the dimensions of the cul-de-sac bulb may be reduced to provide:
 - a. a minimum 24 foot radius to face of curb,
 - b. a minimum 30 foot radius to right of way,
 - c. a minimum 5 foot wide curb tight sidewalk (measured from back of curb) with easements for street trees and street lighting outside of the right of way.
