

**SECTION A-A**

**SECTION B-B**

**NOTES:**

1. Commercial driveways with curbs **REQUIRE PREAPPROVAL** by the City Engineer.
2. The radius shown is for commercial driveways on Arterial Streets or Collector Streets. See Table II.d of the *Engineering Design Manual* for additional radius requirements as interpreted and applied by the City Engineer.
3. For additional requirements, see *Beaverton Standard Dwgs* 200, 203 and 204 for curb details and 220 through 235 for sidewalk ramp details.
4. Concrete apron structural section to conform to *Beaverton Standard Dwg* 210.

City Of Beaverton

**PUBLIC WORKS DEPARTMENT**

**COMMERCIAL DRIVEWAY WITH CURBS**

CITY ENGINEER  
Terry Waldele, P.E.
