Beaverton Police and OLCC to conduct Underage Alcohol Detail

On Thursday, May 21, 2015 between the hours of 5:00 p.m. and 9:30 p.m., Beaverton Police Officers and OLCC Inspectors will be conducting a grant sponsored under age alcohol detail in Beaverton to identify businesses where minors are served or sold alcohol.

During this detail the Beaverton Officers, OLCC Inspectors, and OLCC provided minors will be visiting businesses and stores where alcohol is served. The stores and businesses will be randomly selected by OLCC. The minors are volunteers who are under the legal drinking age of 21. The minors will enter the business and attempt to purchase alcohol and will provide their Oregon driver’s license if requested by the employee.

During this detail if any employee serves or sells alcohol to the minor/decoy, they will be issued a citation for furnishing alcohol to a minor and the business manager/owner will be notified of the violation.

The goal of this detail is to confirm that businesses are following Oregon law by not selling alcohol to minors. It is important to periodically check to make sure that businesses are doing their part to make sure that the minors in Beaverton are not being allowed to purchase alcohol.
