Beaverton Police Department to Take Part in
Three Flags Safety Blitz during the Holiday Weekend

The Beaverton Police Department will be participating in the Three Flags Campaign for the Thanksgiving weekend: November 23rd through November 27th, 2011. Enforcement efforts will focus on appropriate safety restraints for both adults and children, driving under the influence (DUII) and speeding.

Speeding drivers are a real concern and impact highway safety, as excessive speed is a factor in half of all traffic crashes. Crash severity increases sharply with speeds in excess of 60 mph. With the increase of driver’s due to the holiday weekend the Beaverton Police Department would like to remind everyone to follow the speed limits.

To provide the safest traveling experience for your children remember to buckle them in with the appropriate restrain system. For information or help with your child safety seats or restraints the Beaverton Police Department conducts safety seat clinics throughout the year.

The next Child Safety Seat Clinic will be held Saturday, December 10th from 9:00 a.m. to 12:30 p.m. at the Beaverton Police Department (in the west parking lot), located at 4755 SW Griffith Drive.

The Beaverton Police Department would like to encourage everyone to drive safely and responsibly while enjoying their holiday. For more information, visit the High-Visibility Enforcement Campaign Headquarters at www.StopImpairedDriving.org.
