It Has Been a Year Since Harley Rocher Was Killed In a Hit and Run Crash

On January 15, 2013 Harley Rocher was walking home from work and was struck and killed on SW Laurelwood Ave at 7:57 p.m. Harley was 18 years old and we have yet to locate the suspect who caused Harley’s death.

The evidence gathered from the scene showed that Harley was struck from behind by a teal colored vehicle. We were unable to determine if the vehicle was a passenger car or a truck. Originally we asked for the public to look for specifically a teal colored vehicle and now we ask the public to think back to any vehicle they might have seen with damage and possible a teal colored bumper or hood.

We received information throughout the year from the public and sadly, none of it led to the identification of the suspect or suspect vehicle. We are again asking for the public’s help in bringing some type of closure to Harley’s family. We hope by bringing Harley’s death again to the attention of the public that it might bring in some helpful information. The photos below are of Harley and a paint chip that was left on Harley’s clothing from the vehicle that struck and killed him.

Anyone with any information on this tragic loss of life is asked to call the Beaverton Police Department at (503) 629-0111.
