We Need Your Help in Locating a Missing Endangered Teenager

At about 3:10 a.m. on June 30, 2014 Sheyenne Marie Garnett sent a text message to her father in Arizona stating, “Please don’t tell anybody, I am running away.” Garnett has been staying in the Beaverton area for an extended vacation with a family friend. Garnett has not returned to the house she has been staying at.

Garnett has no money and is from Arizona, so she does not know the Beaverton area and does not use public transportation. Garnett does have several medical conditions that she takes medicine for; it is not known if she has her medication with her.

Garnett was last believed to be wearing a black hoodie with “Cool Story Bro” on the front, short black athletic shorts and white Chuck Taylor Converse shoes. Garnett is 13 years old, approximately 4’11”, 100 pounds, Brown hair and brown eyes.

Anyone who has any information that might assist the Beaverton Police in locating Garnett is asked to call (503) 629-0111.
