Westside Cultural Alliance- Seeking Artist Input

The Westside Cultural Alliance (WCA) provides an annual series of professional and creative workshops specifically geared toward helping local artists become more successful in their careers. In an effort to help WCA gain a better understanding of the types of workshops artists and performing artists may be looking to attend, they have generated a brief 10-question survey and are asking for artist feedback. Please take a moment to complete the survey at <http://www.surveymonkey.com/s/FTJ3RLW> by January 31, 2012 and let WCA know your thoughts. Whether you're a teacher, dancer, studio owner, visual artist, or musician, WCA would like to hear from you. Feel free to pass this on to other artists you may know, preferably living or working in Washington County.
