We Need Your Help in Locating a Missing Teenager

At 12:40 am on July 12th, 2015, Beaverton Police received a report of a Missing/Endangered 13 year old female. Officers learned Autumn R Wildemere had left a note for her father saying she had run away. Autumn recently moved with her father from Hillsboro and is not familiar with her new surroundings. She is familiar with Tri-Met, but has no money. Officers searched the area for her but were unable to locate her. A BPD Detective is currently assigned to the case.

Autumn does not have any medical conditions, but is reported to have emotional and behavioral disorders and acts like she is 10 or 11 years old.

Autumn is 5’1” and weighs approximately 125 lbs. She has long brown hair and hazel eyes. She has a strawberry birthmark on her right hand. It is not known what she was last wearing.

Anyone who has any information that may assist in locating Autumn is asked to contact Beaverton Police at (503) 629-0111 and to reference case number: 15-1930033.
