The Beaverton Police Department is asking for the public’s help in locating a missing endangered subject.

At 9:20 p.m. the sister of Gopal Monger 40 years of age came to the Beaverton Police Department to report him as missing. Gopal does not speak, uses sign language and has the mental capacity of a five year old. Gopal was last seen at the Gateway Transit center at 9:00 p.m. It is believed that he got onto a Max train and it is unknown the direction he might have gone.

Gopal is described as an Asian, male 5’ tall, 120 pounds, black hair, brown eyes and walks with a limp. Gopal is not familiar with tri-met and never goes anywhere without a family member and does not function on his own. Gopal lives in Beaverton and wears a bracelet with his name and address on it.

If you have seen Gopal you are asked to call the Beaverton Police at (503) 629-0111
