- **The Beaverton Arts & Culture Center on City Council Agenda**

Hello friends,

The Beaverton Arts & Culture Center is on the Council agenda for this coming Tuesday at 6:30 in Council Chambers at the Beaverton Building (12725 SW Millikan Way). It will be a really fascinating meeting and your attendance would be so valuable.

There will be a presentation about the entire Creekside District Redevelopment which will provide a great overview of the entire project as well as a work session in regards to the public funding of the Arts & Culture Center and the next steps with this project. There will definitely be some exciting, tense, interesting, and hopefully celebratory, moments.

Please join us if you can! It would be wonderful to have representation from all our amazing arts stakeholders and community groups.

Please feel free to share this invitation far and wide.
