Highland Middle School Project- SE corner with trees

Trail is muddy – trail improvements, June 18th will not work

School district responded 4 weeks later, we are project number 98 out of 106.

Principal will have to advocate for this sooner.

Hill next to the stairs is really high and overwhelming with blackberries. Work with clean water services, have them provide us with 75 trees and 150 shrubs.

Long term maintenance needs to be established.
