## FREE SPRING BREAK EVENTS FOR KIDS AND TEENS AT BEAVERTON CITY LIBRARY

**BEAVERTON, Ore.** – It's time to celebrate spring...break! Beaverton City Library will host more than a week of free events for kids and teens at the main library and the Murray Scholls branch during Spring Break, Mar. 23 through Apr. 1.

This year's theme for kids is "Space" featuring crafts, games and experiments! Come inspect real samples of lunar rocks and meteorites from NASA at Space Camp, and challenge yourself to survive on a moon with Evergreen Aviation & Space Museum! The main library will host an exciting series of programs just for teens, including Human Space Invaders, DIY UFO Lamps, and Stop-motion Claymation, along with movies and games.

Registration is required for some events. Patrons can register for events by visiting [www.BeavertonLibrary.org/Register](http://www.BeavertonLibrary.org/Register) or by calling 503-350-3600 (events at the main library) or 503-644-2197, option 6 (events at Murray Scholls).
