### **SRHS 3-D Printer Project Update**

Richard Turnock

The Design and Technology IB class at Southridge has begun assembling the first one and will be calibrated and testing it to get it up and running. They are going to try to sell the printers, but if they are not able to, they are going to donate them to Conestoga. Richard is working to \$2,430 is still in the account and they are going to continue to purchase printers and resell them. Discussion ensued on how to make the project self-funded for both material and buying more printers.

Nov. 2 Career Fair for high school students

Discussion of gender and ethnic diversity of students involved in 3-D Printer

### **Treasury Update**

Heidi Marietta

Current balance is \$3810.

\$4854 spent on movie night. We have been reimbursed for a portion of that and are awaiting reimbursement for the remaining amount and we should then be back to \$5500.

### **Roundtable**

Review of survey responses from movie night

Decision was made to hold board member nominations in November and vote in January. We will review the bylaws in November to confirm the requirements for nominations

Discussion of bringing in a live band to play before the movie next year. Also discussed changing the timeframe of the movie night next year, movie choice, and food carts. We plan to pick the 2019 movie night date at our November meeting.

Adjourned 8:15 PM
