**MISSION STATEMENT:**

For financial reporting purposes, the Water Fund is a consolidation of the Water Operating Fund, Water Construction Fund and Water Debt Service Fund. For budgeting and financial control purposes, a separate budget is presented for each of these operations. Amounts budgeted in this fund are for payment of maturing principal and interest of the Water Revenue Bond Series 2004, 2004B, 2006. Transfer expenditures are for the unspent water revenue bond proceeds and are transferred to the construction fund for the uncompleted water projects included in the bond sale. Contingency is the unappropriated excess of resources over expenditure requirements.
