

Project Data

Project Number: 4116
Project Name: 6th St 6-Inch Waterline (Stott Ave to Watson Ave)
Project Description: Construct 825 feet of 6-inch waterline from Stott Ave to Watson Ave. This project was programmed for FY2020-21; however, proposed redevelopment in the area requires that the project be completed as soon as possible.
Map:

Project Justification: The existing water main is a 2-inch galvanized pipe that is undersized and in need of replacement. In addition, the pipe requires upsizing to improve fire protection and to better support redevelopment.

Project Status: FY17-18: Added to CIP in July 2017. 7-27-17: Begin design by City staff. 8-25-17: Completed design by City staff. 9-9-17: Council approved adding CIP 4116 to CIP 4134A as a change order in the amount of \$162,275. 9-28-17: Completed five potholes. 10-23-17: Begin construction.

Estimated Date of Completion: 06/30/2018 **First Year Budgeted:** FY17/18
Estimated Project Cost: \$175,000 **New Project:**
