

HIGHLAND NEIGHBORHOOD

The City of Beaverton is grateful to rely upon the dedication and involvement of its residents and community partners. By sharing your skills with your neighbors, **you** can make a difference!

The Highland Neighborhood Association Committee (NAC) supports community projects each year including:

- **Hart Road Traffic Circle Beautification**
Volunteers are adding and maintaining plants and landscaping materials to make this traffic area more beautiful and to attract pollinators.
- **Highland Walks/Runs**
Walks and runs provide a healthy way to get together with neighbors to enjoy the beauty of the area and learn more about the trees and architecture.

We Want To Hear Your Ideas!

If you have a project or event that you would like to work on, attend a NAC meeting to learn about Matching Grants available for projects that help promote neighborhood identity and build stronger communities.
