

WEST BEAVERTON NEIGHBORHOOD

The City of Beaverton is grateful to rely upon the dedication and involvement of its residents and community partners. By sharing your skills with your neighbors, **you** can make a difference!

The West Beaverton Neighborhood Association Committee (NAC) started the first Pages as Pillars program at Chehalem Elementary School. This vital program supports and improves literacy among Beaverton's children by providing thousands of books to students. In addition to books, the community provided a number of volunteer readers. They also offer a scholarship program to graduating high school seniors residing in their NAC who are attending college.

We Want To Hear Your Ideas!

If you have a project or event that you would like to work on, attend a NAC meeting to learn about Matching Grants available for projects that help promote neighborhood identity and build stronger communities.
