

Planning for Transportation in the Long Term

How do we work together?

Travel choice

How did you travel here this morning?

1. Walked here
2. Biked here
3. Use public transportation
4. Drove here
5. Some other method

What is
transportation
planning?

Multimodal System, Policies and Strategies

- Vehicles
- Pedestrians
- Cyclists
- Transit
- Freight

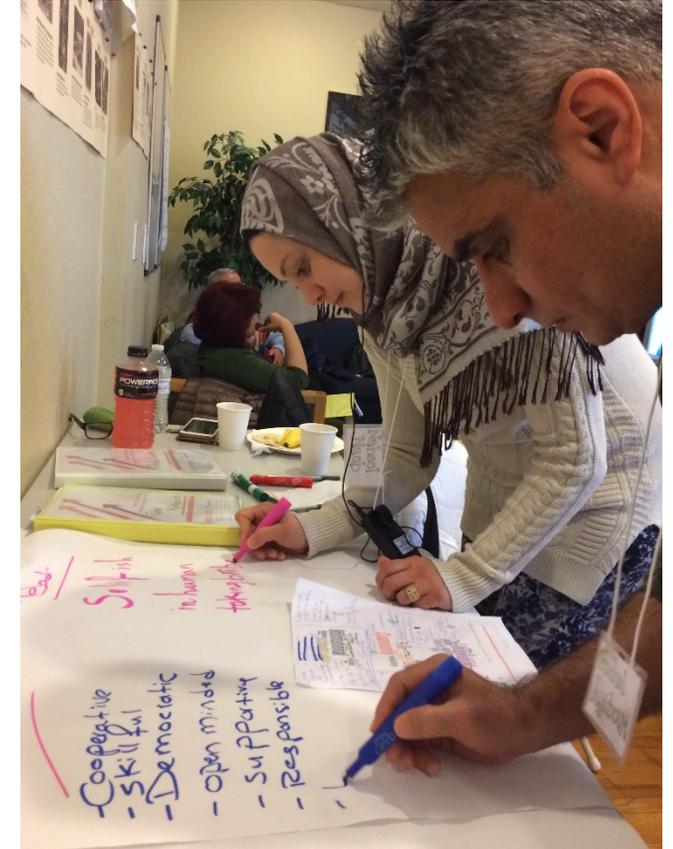

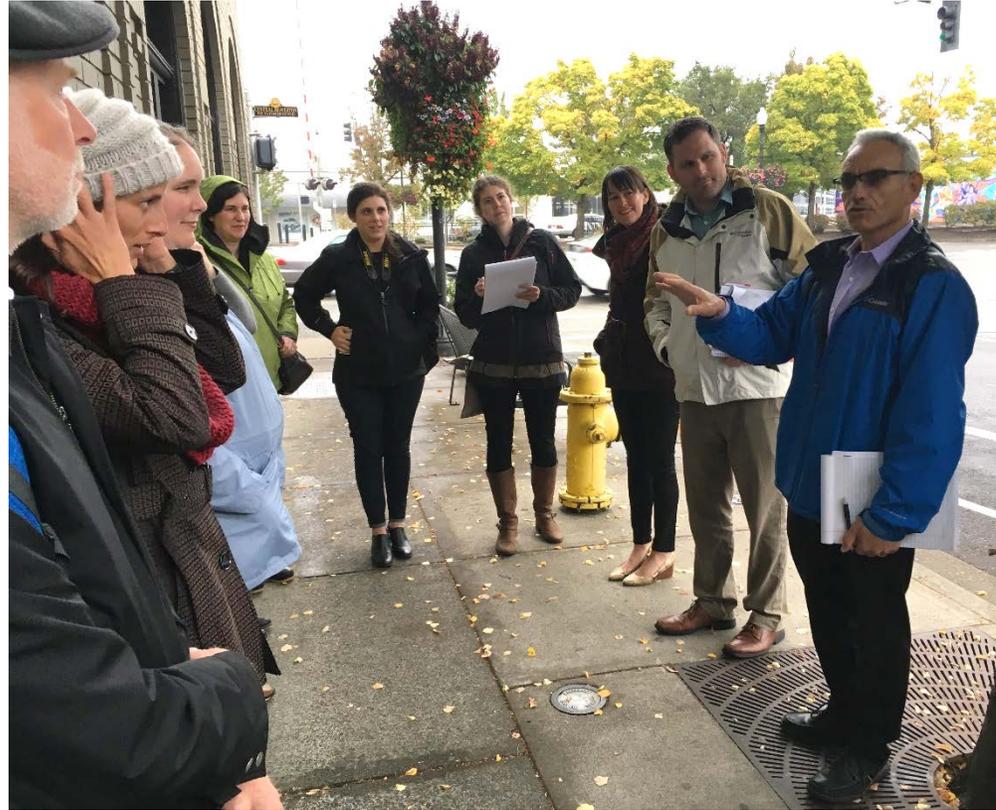

Influences

- Federal laws
- Oregon's Statewide Land Use Planning goals and laws
 - Planning Goal 1 – Public Involvement
 - Planning Goal 12 – Transportation
- Oregon Highway Plan and modal plans
- Metro Regional Transportation Plan
- TriMet Service Enhancement Plans
- Washington County Transportation System Plan
- Beaverton Comprehensive Plan and Transportation System Plan
- Beaverton Active Transportation Plan and Capital Improvement Program

Influences

- Community Engagement

How do we move from
planning to projects?

Transportation Project Development Process

Ways to engage in plans and projects

1. Sign up for email updates
2. Take online surveys
3. Attending meetings/workshops/open houses
4. Call or email a planner directly
5. Talk with planners doing engagement in parks, on streets, at events
6. Join a Board, Committee or Special Commission
7. Attend Planning Commission or City Council
8. Contact elected officials

TriMet Outreach – Near and Far

**From service planning, long range planning, and
capital construction**

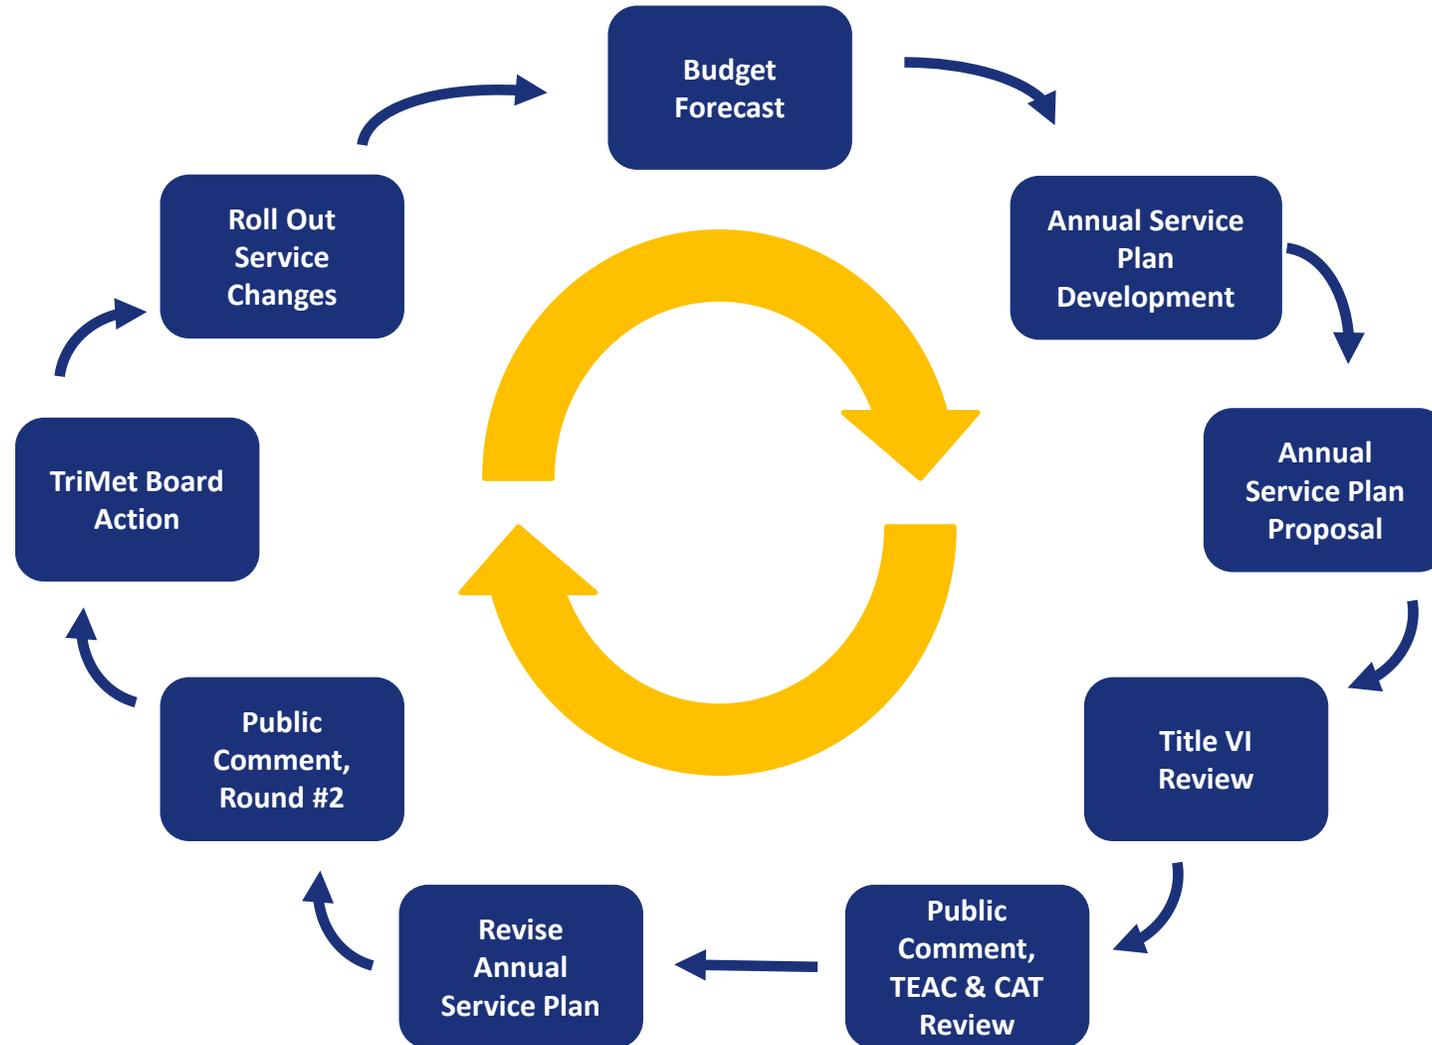

Unified Service Enhancement Plan

FY20 Service highlights

- **2 new Frequent Service Lines** (Lines 20 Burnside/Stark and 76-Beaverton/Tualatin)
- **2 lines with new Sunday service** (Lines 30-Estacada and 32-Oatfield)
- **1 line with additional weekday rush hour and evening service, and new weekend service** (Line 74-162nd Ave)
- **2 lines with new names**
 - 76-Beaverton/Tualatin to 76-Hall/Greenburg
 - 78-Beaverton/Lake Oswego to 78-Denney/Kerr Pkwy. And takes over for discontinued line 42-Denney/Hall

Planning Process

Service Proposal Outreach

- **Online outreach**
 - Email blast
 - Riders Club
 - Social Media
- **Onboard outreach**
- **Open house meetings**
- **Multicultural outreach at open houses**
- **Letters to businesses and residences within ¼ mile of proposed new lines and route changes**
- **Presentations to TEAC, CAT, HB2017 Advisory Committee**

STIF Plan – Public Transportation Improvement Plan

In order to receive STIF funds:

- Citizen Advisory Committee
- Board approval

STIF Advisory Committee

- Clackamas, Multnomah, & Washington Counties
- Constructing Hope
- Council of Laborers
- Elders in Action
- Hillsboro Chamber of Commerce
- Hillsboro Schools Foundation
- Hispanic Metropolitan Chamber
- IRCO
- Metro
- Mt. Hood Community College
- National Association of Minority Contractors
- OPAL
- Oregon Environmental Council
- Oregon Food Bank
- PBOT
- PCC Student
- Portland Business Alliance
- Portland Streetcar
- Regular riders (1 from each county & City of Portland)
- Ride Connection
- SMART Wilsonville
- The Street Trust
- TriMet Committee on Accessible Transportation

Capital Projects Outreach

- Meetings, calls, correspondence
- Public meetings
- Open houses
- Online surveys
- Door-to door outreach
- Multicultural outreach

DIVISION
TRANSIT PROJECT

**SOUTHWEST CORRIDOR
LIGHT RAIL PROJECT**

Taking Transit

How often do you typically use transit?

1. Daily
2. 2-5 times a week
3. About weekly
4. 1-3 times a month
5. Less than once a month

Taking Transit

What types of trips do you use transit for?

1. Commuting to work or school
2. Shopping
3. Appointments
4. Events
5. Visiting friends or family
6. Something else

Taking Transit

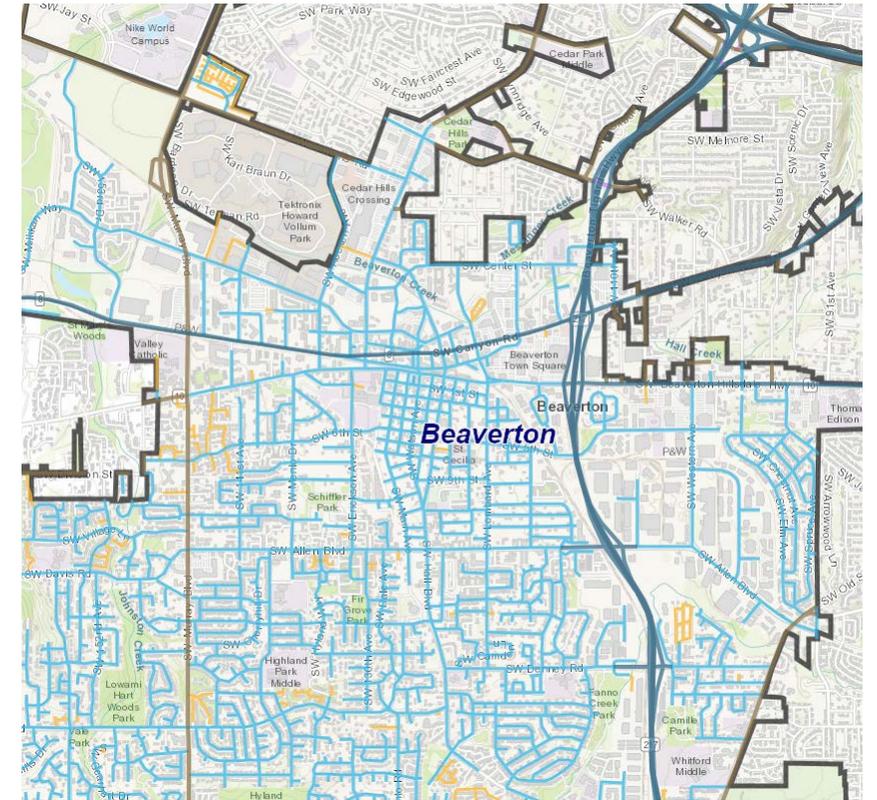

What improvements would encourage you to use transit more?

1. Better access (sidewalks, crossings, bike lanes)
2. Parking nearby
3. Info about fares, routes and times
4. Info about time & cost savings
5. More direct routes
6. Something else

Whose road is it
anyway?
