Enter the meeting ID (160 783 1826) followed by pound. Enter Participant ID (999999), followed by pound. You have joined as an attendee and will be muted throughout the meeting.)</i></p>

## In Person

Meetings are remote, but the city can accommodate those wishing to testify on video link from a computer setup in City Hall. Please inform the project planner of your intentions to testify in person. Come to City Hall at the meeting time, staff will communicate with security staff who will let you into the building. Once you are in the building, staff will ask which project you are testifying on and your name and address for our records.
