Trees marked with * are native to the Portland Metro Region.

- Trees permitted in minimum 3-foot planting area with no overhead utility wire conditions
- Trees permitted in minimum 4-foot planting area where no overhead utility wire conditions exist
- Trees permitted in minimum 6-foot planting area with no overhead utility wire conditions
- Trees permitted in minimum 8-foot planting area with no overhead utility wire conditions
- Trees permitted by PGE and City of Beaverton for use under power wires

Trees permitted in minimum 3-foot planting area with no overhead utility wire conditions:

Trees marked with * are native to the Portland Metro Region.

Cherry, Columnar Sargent Flowering - *Prunus sargentii* 'Columnaris'

Crabapple, Western - *Malus fusca* *

Crabapple - 'Golden raindrops'

Crabapple - 'Prairiefire'

Crabapple – 'Purple prince'

Crabapple – *Malus* 'Royal raindrops'

Crape myrtle - *Lagerstroemia indica*

Dogwood, Cornelian Cherry - *Cornus mas*

Dogwood, Eastern - *Cornus florida*

Dogwood, Kousa - *Cornus kousa* chinensis

Dogwood, Pacific - *Cornus nutallii* *

Fringetree – *Chionanthus retusus*

Glorybower, Harlequin - *Clerodendrum trichotomum*

Maple, Flame Amur - *Acer ginnala* 'Flame'

Maple, Norwegian Sunset - *Acer truncatum* x *A. platanoides* 'Keithsform'

Maple, Pacific Sunset - *Acer truncatum* x *A. platanoides* 'Warrenred'

Magnolia acuminata 'Butterflies'

Magnolia 'Galaxy'

Magnolia virginiana 'moonglow'

Oak, Skyrocket English - *Quercus robur* 'Fastigiata'

Plum, Thundercloud Flowering - *Prunus cerasifera* 'Thundercloud'

Redbud, Eastern - *Cercis Canadensis*

Serviceberry, Western - *Amelanchier alnifolia* *

Serviceberry - *Amelanchier* 'Autumn Brilliance'

Serviceberry – *Amelanchier* 'Spring Flurry'

Snowbell, Japanese - *Styrax japonica*

Trees permitted in minimum 4-foot planting area where no overhead utility wire conditions exist:

Trees marked with * are native to the Portland Metro Region.

Ash, Globe European - *Fraxinus excelsior* 'Globosum'

Ash, Golden Desert - *Fraxinus oxycarpa aureafolia* 'Golden Desert'

Birch, River - *Betula nigra*

Cherry, Yoshino Flowering - *Prunus x yedoensis*

Crabapple, Profusion - *Malus* 'Profusion'

Crabapple, Red Baron - *Malus* 'Red Baron'

Crabapple, Royalty - *Malus* 'Royalty'

Crabapple, Spring Snow - *Malus* 'Spring Snow'

Crabapple, Sugar Tyme - *Malus* 'Sugar Tyme'

Elm, Emerald sunshine - *Ulmus propinqua* 'JFS-Bieberich'

Ginkgo, Mayfield - *Ginkgo biloba* 'Mayfield'

Goldenrain - *Koelreuteria paniculata*

Goldenrain, Columnar - *Koelreuteria paniculata* 'Fastigiata'

Hawthorn, Lavalley - *Crataegus x lavalleyi*

Hawthorn, Washington - *Crataegus phaenopyrum*

Hornbeam, Pyramidal European - *Carpinus betulus* 'Fastigiata'

Hornbeam, Pyramidal European - *Carpinus betulus* 'Frans Fontaine'

Hornbeam, American - *Carpinus caroliniana*

Hornbeam, Japanese – *Carpinus japonica*

Lilac, Japanese Tree - *Syringa reticulata*

Maple, Doric Red - *Acer rubrum* 'Doric'

Maple, English Hedge - *Acer campestre*

Maple, Paperbark - *Acer griseum*

Maple, Tatarian - *Acer tataricum*

Parrotia persica

Pear, Capital Flowering - *Pyrus calleryana* 'Capital'

Serviceberry, Cumulus - *Amelanchier laevis* x *grandiflora* 'Cumulus'

Serviceberry, Pyramidal Shadblow - *Amelanchier canadensis* 'Pyramidalis'

Serviceberry, Robin Hill Apple - *Amelanchier* x *grandiflora* 'Robin Hill'

Tupelo, Black, Blackgum or Sourgum - *Nyssa sylvatica*

Yellow Wood - *Cladrastis kentuckia*

Trees permitted in minimum 6-foot planting area with no overhead utility wire conditions:

Trees marked with * are native to the Portland Metro Region.

Beech, Tricolor European - *Fagus sylvatica* 'Purpurea Tricolor'

Elderberry, Blue - *Sambucus cerulea* *

Elm, Emerald sunshine- *Ulmus propinqua* 'JFS-Bieberich'

Elm, Frontier- *Ulmus* 'Frontier'

Ginkgo - *Ginkgo biloba*

Ginkgo, Autumn Gold - *Ginkgo biloba* 'Autumn Gold'

Ginkgo, Fairmont - *Ginkgo biloba* 'Fairmont'

Ginkgo, Princeton Sentry - *Ginkgo biloba* 'Princeton Sentry'

Ginkgo, Shangri-la - *Ginkgo biloba* 'Shangri-la'

Honeylocust, Skyline - *Gleditsia triacanthos* 'Skyline'

Horsechestnut, Briotii Red - *Aesculus x carnea* 'Briotii'

Horsechestnut, Ruby Red - *Aesculus x carnea* 'Ruby Red'

Katsura - *Cercidiphyllum Japonicum*

Locust, Globe - *Robinia pseudocacia* 'Umbraculifera'

Magnolia, Southern - *Magnolia grandiflora*

Maple, Armstrong - *Acer x freemanii* 'Armstrong'

Maple, Bowhall Red - *Acer rubrum* 'Bowhall'

Maple, Crimson King Norway - *Acer platanoides* 'Crimson King'

Maple, Greencolumn Black - *Acer nigrum* 'Greencolumn'

Maple, Karpick Red - *Acer rubrum* 'Karpick'

Maple, Legacy Sugar - *Acer saccharum* 'Legacy'

Maple, Scanlon Red - *Acer rubrum* 'Scanlon'

Oak, Skymaster English - *Quercus robur* 'Pyramich'

Pine, Vanderwolf – *Pinus flexilis* 'Vanderwolf'

Pagoda Tree, Regent Japanese - *Sophora japonica* 'Regent'

Stewartia, Japanese - *Stewartia pseudocamellia*

Tuliptree, Arnold - *Liriodendron tulipifera* 'Fastigiatum'

Willow, Pacific - *Salix lucida* ssp. *Lasiandra* *

Zelkova, Green Vase - *Zelkova serrata* 'Green Vase'

Zelkova, Village Green - *Zelkova serrata* 'Village Green'

Trees permitted in minimum 8-foot planting area with no overhead utility wire conditions:

Trees marked with * are native to the Portland Metro Region.

Alder, Red - *Alnus rubra* *

Ash, Autumn Applause White - *Fraxinus americana* 'Autumn Applause'

Ash, Oregon - *Fraxinus latifolia* *

Ash, Summit Green - *Fraxinus pennsylvanica* 'Summit'

Cascara - *Rhamnus purshiana* *

Cedar, Western Red - *Thuja plicata* *

Coffeetree, Kentucky - *Gymnocladus dioicus*

Cork Tree, Amur - *Phellodendron amurense*

Douglas fir - *Pseudotsuga menziesii* *

Elm, Homestead - *Ulmus* 'Homestead'

Filbert, Turkish - *Corylus colurna*

Fir, Grand - *Abies grandis* *

Hackberry, Common - *Celtis occidentalis*

Hawthorn, Black - *Crataegus douglasii* *

Hemlock, Western - *Tsuga heterophylla* *

Hophornbeam, American - *Ostrya virginiana*

Linden, DeGroot Littleleaf - *Tilia cordata* 'DeGroot'

Linden, Glenleven Littleleaf - *Tilia cordata* 'Glenleven'

Linden, Green Mountain Silver - *Tilia tomentosa* 'Green Mountain'

Linden, Redmond - *Tilia americana* 'Redmond'

Linden, Redmond Crimean - *Tilia x euchlora* 'Redmond'

Maple, Arrowhead Sugar - *Acer saccharum* 'Arrowhead'

Maple, Autumn Blaze - *Acer rubrum* x *A. saccharinum* 'Autumn Blaze'

Maple, Autumn Flame Red - *Acer rubrum* 'Autumn Flame'

Maple, Big leaf - *Acer macrophyllum* *

Maple, Celebration - *Acer x freemanii* 'Celzam'

Maple, October Glory Red - *Acer rubrum* 'October Glory'

Maple, Red Sunset- *Acer rubrum* 'Red Sunset'

Mulberry, Kingan Fruitless - *Morus alba* 'Kingan'

Oak, Burr - *Quercus macrocarpa*

Oak, English - *Quercus robur*

Oak, Forest Green Hungarian or Italian - *Quercus frainetto* 'Schmidt'

Oak, Northern Red - *Quercus rubra*

Oak, Oregon - *Quercus garryana* *

Oak, Pin - *Quercus palustris*

Oak, Sawtooth - *Quercus acutissima*

Oak, Scarlet - *Quercus coccinea*

Oak, Shingle - *Quercus imbricaria*

Oak, Shumard - *Quercus shumardii*

Oak, Swamp White - *Quercus bicolor*

Oak, Westminster Globe - *Quercus robur* 'Michround'

Poplar, Yellow or Tuliptree - *Liriodendron tulipifera*

Rubber Tree, Hardy - *Eucommia ulmoides*

Tuliptree or Yellow Poplar - *Liriodendron tulipifera*

Trees permitted by PGE and City of Beaverton for use under power wires:

Trees marked with * are native to the Portland Metro Region.

Amur Maple - *Acer ginnala*

Hedge Maple - *Acer campstre*

Paper Bark Maple - *Acer griseum*

Apple Service Berry - *Amelanchier*

Shadblow Service Berry - *Amelanchier canadensis*

Eastern Redbud - *Cercis canadensis*

Glorybower - *Clerodendrum trichotomum*

Flowering Dogwood - *Cornus florida*

Japanese Dogwood - *Cornus kousa*

Washington Hawthorn - *Crataegue phaenopyrum*

Lavalle Hawthorn - *Crataegus x lavallei*

Globe-Headed European Ash - *Fraxinus excelsior* 'Globosa'

Golden Desert Ash - *Fraxinus oxycarpa* 'Aureafolia'

Golden Rain Tree - *Koelreuteria paniculata*

Flowering Crabapple - *Malus* 'Spring snow' or 'Indian magic'

Crabapple - 'Golden raindrops'

Crabapple - 'Prairiefire'

Crabapple – 'Purple prince'

Crabapple – *Malus* 'Royal raindrops'

Flowering Cherry - *Prunus* 'Mt. Fuji'

Flowering Pear - *Pyrus calleryana* 'Cleveland select'

Japanese Snowbell - *Styrax japonica*
