

# Work Plan

## SOUTH COOPER MT. CONCEPT & COMMUNITY PLANS

September 11, 2013

- Notes:
- Timeline extended through December 2014 to align with Metro CET Grant.
  - Following plan adoption, development agreements and IGA's for transportation and infrastructure may need to be developed prior to authorizing development in the SCMAA.
  - Pending court decisions on Metro's Urban and Rural Reserves decision, and the 2011 UGB expansion decision may impact authorization of development in the SCMAA, depending on the outcome of those decisions.
